BEFORE THE TEXAS COMMISSION  
ON ENVIRONMENTAL QUALITY

**MAYOR JULIE MASTERS AND THE CITY OF DICKINSON'S  
RESPONSE TO THE OFFICE OF PUBLIC INTEREST COUNSEL'S RESPONSE  
TO REQUESTS FOR HEARING AND REQUESTS FOR RECONSIDERATION**

**TO THE HONORABLE MEMBERS OF THE TEXAS COMMISSION ON  
ENVIRONMENTAL QUALITY:**

Mayor Julie Masters, on behalf of the City of Dickinson, Texas ("Mayor Masters"), files this Response to the Office of Public Interest Counsel's Response to Requests for Hearing and Requests for Reconsideration in the above-referenced matter and would respectfully show the following:

**I. RESPONSES TO RECOMMENDATIONS BY OPIC  
CONCERNING DETERMINATION OF AFFECTED PERSON STATUS**

**A. Group Hearing Request**

Mayor Masters supports the recommendation by the Office of the Public Interest Counsel ("OPIC") that Betty Gutierrez be found to be an affected person entitled to a contested case hearing and requests that such contested case hearing be granted to Ms. Gutierrez.

**B. Mayors Veta Winick and Julie Masters**

Mayor Masters supports the recommendation by OPIC that she, on behalf of the City of Dickinson, be found to be an affected person entitled to a contested case hearing and requests that such contested case hearing be granted to her. Mayor Masters was authorized by the Dickinson City Council on November 14, 2006 to request

a contested hearing in regard to TCEQ Permit No. WQ0014570001. Pursuant to OPIC's Response, a certified copy of the Minutes of the Dickinson City Council meeting of November 14, 2006, is attached hereto as Exhibit "A" and incorporated herein by reference, reflecting that Mayor Masters' request for hearing is supported by Council action.

**C. Peggy Wright**

Mayor Masters asserts that Peggy Wright and her associations are affected persons and requests that OPIC reconsider its recommendation. Ms. Wright and her associations should be granted status of affected person(s) and their requests for such contested case hearing should be granted.

**D. Bert Schroeder**

Mayor Masters supports the recommendation by OPIC that Bert Schroeder be found to be an affected person entitled to a contested case hearing and requests that such contested case hearing be granted to Mr. Schroeder.

**II. RESPONSES TO RECOMMENDATIONS BY OPIC  
RELATED TO ISSUES FOR REFERRAL TO HEARING**

While Mayor Masters supports OPIC's recommendations of the issues for referral to a hearing before the State Office of Administrative Hearings ("SOAH"), she asserts that the TMDL study currently being performed by TCEQ should be completed prior to the Commission taking any action on TCEQ Permit No. WQ0014570001. One of the issues recommended by OPIC is whether the proposed permit is protective of aquatic life and human health. Both Gum Bayou and Dickinson Bayou are currently identified by TCEQ as "impaired bodies," and this identification as well as issues related thereto

resulted in the initiation of the TMDL study. The TMDL study has been in progress for some time and is nearing completion according to TCEQ staff. While OPIC is correct that a TMDL study is not required in order to determine whether the discharge permit should be granted, the fact is that the results of the TMDL will provide the Commission with relevant and material information concerning the impact of the proposed permit on aquatic life and human health in accordance with the Texas Surface Water Quality Standards.

### **III. CONCLUSION**

Mayor Masters supports the recommendation by OPIC that Betty Gutierrez and Bert Schroeder be found to be affected persons entitled to a contested case hearing, that their hearing requests be granted, and that this matter be referred to SOAH with the recommended issues. As recommended by OPIC, Mayor Masters has provided documentation with this Response reflecting that she is acting at the direction and with the support of the City Council of the City of Dickinson and thus requests that she, on behalf of the City of Dickinson, be found to be an affected person entitled to a contested case hearing, that her hearing request be granted, and that this matter be referred to SOAH with the recommended issues.

Further, Mayor Masters respectfully requests that the Commission table any action on the TCEQ Permit No. WQ0014570001 until such time as the TMDL study of Dickinson Bayou currently being conducted by TCEQ is completed. This will allow the City of Dickinson to work with the Applicant, the City of Texas City, and San Leon Municipal Utility District and any other possible regional wastewater treatment facility as

well as affected persons to identify an acceptable alternative resolution to the Applicant's wastewater needs related to its proposed 370-acre development.

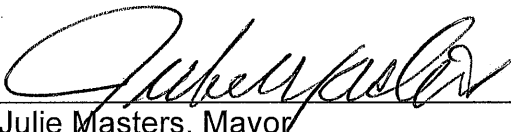

Respectfully submitted,

CITY OF DICKINSON

Mary Williams who has been part owner of J.T. He was going to fine her \$500 so she called City Hall and talked with Angela Forbes. Ms. Forbes told her that J.T. Lounge was not zoned for the sale of alcohol and explained what she needed to go through in order to receive a permit. She stated that she spoke with Ms. Carol Wright at the Texas Alcohol Commission and was told that her area had been rezoned.

Ms. Lucinda Burrow, who resides at 2014 Ave. D., also spoke regarding the alcohol permit at J.T. Lounge and said she had owned the place and for over 70 years there had been alcohol served there.

Kim Ellis, who resides at 5201 Harbor Light Dr., thanked Council for the new paving on her street, but was concerned regarding the loose gravel that was left on the road after the chip and seal process had been completed by the Street Department in mid-September. She stated she was also concerned that minor corrugation was already starting to show on the new paving. Ms.

Ellis also requested the possibility of a traffic study on Harbor Light Dr. and, if warranted by the study, the installation of speed bumps.

**ITEM 5.) CONSENT AGENDA: CONSIDERATION POSSIBLE ACTION:**

The following items are considered routine by the City Council and will be enacted by one motion. There will not be a separate discussion on these items unless a Council member requests, in which event, the item will be removed from the Consent Agenda and discussed after the Consent Agenda.

- A. Approval of October 24, 2006 City Council Workshop Meeting Minutes.
- B. Approval of October 24, 2006 City Council Regular Meeting Minutes.

A motion was made by Councilwoman Mary Dunbaugh to approve the Consent Agenda. Councilman King seconded the motion.

**MOTION PASSED UNANIMOUSLY**

**NEW BUSINESS**

**ITEM 6.) DISCUSSION/ACTION:** Approval of AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF DICKINSON, TEXAS, RENAMING OF A PUBLIC ROAD, CROSS GULLY COURT, LOCATED IN BORDEN'S GULLY SUBDIVISION BETWEEN GULLY RANCH COURT AND JACKSON GULLY COURT AS SAWYER GULLY COURT. (second of three readings)

**MOTION PASSED UNANIMOUSLY**

**ITEM 7.) DISCUSSION/ACTION:** Receive and review a report from David Floyd, CSI Inc., Regarding status of the Fire Station, Maintenance Building addition and City Hall projects.

Mr. Floyd updated the Council on the subcontractor bids that were opened on November 2, 2006. Of 17 subcontracts, nine received only one response; three received two responses and one had no bids. However, seven contracts worth approximately \$1,800,000 will go to Galveston County bidders and of that the electrical, mechanical and overhead door contracts will go to Dickinson businesses or residents. Four Dickinson businesses bid on packages, and three of those businesses were successful, however several local subcontractors declined to bid. The subcontracts resulted in a \$58,988 savings of \$2,074,000 or 2.8 percent. J.W. Kelso was the successful bidder on \$900,000 of the package. (See attachment A.)

EXHIBIT "A"

Page 4 of 7

A notice to proceed was issued to J.W. Kelso and work will proceed as soon as insurance certificates and bonds can be secured. Mr. Floyd said machinery should be on site by November 27<sup>th</sup> to begin the construction of the new Fire Department. The date of substantial completion is August 22, 2007.

Mr. Floyd informed Council that the schematic design of the City Hall, Library and Water District complex is being prepared, and a package should be ready for Council's review and acceptance by mid-December. There are presently meetings being conducted regarding the relocation and demolition of the old City Hall, however this project's schedule is slipping.

**ITEM 8.) DISCUSSION/ACTION:** Take action to clarify City of Dickinson status supporting Tropical Gardens and affected residents requesting a contested case hearing pertaining to Marlin Atlantis White, Ltd./Water Quality TPDES Permit #WQ0014570001.

Jan Culbertson, with the Texas Parks and Wildlife, spoke on behalf of Peggy Wright, who was at Clear Lake Hospital with her husband who had become seriously ill, regarding the hearing pertaining to Marlin Atlantis White, Ltd./Water Quality TPDES Permit #WQ0014570001 that would be held the following day in Austin. Ms. Culbertson informed Council that since Ms. Wright would not be able to attend the hearing that would be held in Austin the following day, in accordance with the state law, Representative Larry Taylor would be the only individual who would be allowed to speak on behalf of the City of Dickinson and the residents of Tropical Gardens.

Councilman Townsend made the motion to authorize the Mayor, on behalf of the City Council, to request a contested hearing in regard to TCEQ Permit #WQ0014570001. Councilman Decker seconded the motion.

**MOTION PASSED UNANIMOUSLY**

**ITEM 9.) DISCUSSION/ACTION:** Regarding the City of Dickinson intervening in the Dickinson ISD tax suit against John Thomas Henderson to collect nuisance lien in the amount of \$246 against the same property.

City Attorney Loren Smith explained the City's nuisance ordinance and the fact that if the property was being sold the City would receive the funds due, but since this suit was a foreclosure, the City would have to file an intervention to collect the lien in the amount of \$246, and this would not be cost effective for the City.

Councilman Neves made the motion to not intervene in the DISD tax suit against John Thomas Henderson to collect the nuisance lien in the amount of \$246. Councilman Townsend seconded the motion.

**MOTION PASSED UNANIMOUSLY**

- ITEM 10.) DISCUSSION/ACTION:** Approval of Resolution 898-2006 A Resolution for the City Council of the City of Dickinson, Texas approving the Mayor to sign and the City Secretary to attest the Southeast Texas Housing Finance Corporation General Certificate of Local Governmental Unit for the proposed Multifamily Housing Revenue Bonds for the respective properties.

Councilwoman Dunbaugh made the motion to approve Resolution 898-2006. Councilman Neves seconded the motion.

**MOTION PASSED UNANIMOUSLY**

- ITEM 11.) DISCUSSION/ACTION:** Proposed Interlocal Cooperative Agreement between the City of Dickinson and the Dickinson Independent School District for the Joint Use of Facilities and City/School Parks and to Waive the Normal and Customary City Fees for Building Permits and Other Fee Assessments.

Interim City Administrator Mike Clawson shared with Council that they could view the progress of the Dickinson ISD Stadium Project via the computer on the City's P Drive in the Economic Development Folder. He also stated that at this time, DISD had not submitted an approved site or drainage plan to the City, and that staff was working with them daily and would not waive issues regarding the health and safety of the community.

The Mayor stated that the agreement in the Council's packet was only a draft and that she was requesting direction from Council to address designing a workable interlocal agreement between the two entities. Councilman Townsend made the motion that staff pursue a cooperative interlocal agreement between the City and DISD. Councilman Suderman seconded the motion.

**MOTION PASSED UNANIMOUSLY**

- ITEM 12.) EXECUTIVE SESSION:** The City Council will now hold a closed executive meeting pursuant to the provision of Chapter 551, Government Code, Vernon's Texas Codes annotated, in accordance with the authority contained in:
